

Parking Directions

Parking is available at the Marriott Hotel Garage as well as other locations on the street and other nearby garages.

If you park in the Marriott Hotel Garage, you park as usual in the garage. At luncheon registration, there will be a table for a voucher worth \$5.00 toward the cost of your parking for the luncheon in the Marriott Hotel Garage.

When you exit the garage, you enter your regular parking ticket in the automated machine. Then enter your voucher ticket. If you owe less than \$5.00 your parking is free, if it is over \$5.00 then you need to pay the balance.
